BASKETBALL CAMP

Welcome to the Red and Black Basketball Camp. Basketball is a great game and a lesson that players learn from playing it can last a life time.

Our camp is in its 23rd year and we are proud to have the opportunity to teach the game of basketball. One reason that our camps have been successful is that we have the ability to teach the player that is just beginning and the experienced player in the same gym, at the same time.

It is our goal to make players better. WE will accomplish this through a committed coaching staff, repetitive drills, and competitive game situations. Through it all, we are constantly trying to make the sessions challenging, but fun. Players need to want to come back to the gym the next day for the last twenty years.

*We are looking forward to working with your basketball player.*
