BASKETBALL CAMP

Welcome to Red and Black Basketball Camp. Basketball is a great game, where players learn life lessons, lasting a life time.

Our Camp is in its 24th year, we are proud of having the opportunity of teaching the game of basketball. One reason our camp is successful is we teach players that are just beginning to develop skills along side experienced players in the same gym, at the same time.

Our goal is to make players better by improving individual skills. WE will accomplish this through a committed coaching staff, repetitive drills and competitive game situations.

Sessions are challenging, but fun. Players need to want to come back to the gym the next day and continue to work hard on their skills.

Our goal is to assist in creating passion for the great game of basketball.

We look forward to working with your basketball player.
